NOTICE OF MEETING

The next meeting of the P.-T. A. will be held in the kindergarten room Wednesday, April 19th, at 2:30 p. m. Dr. Belle Wood Comstock, of Los Angeles, will speak on beauty, health, and proper dress for the school girl. All eighth grade and high school girls are invited to attend. There will be a musical program. The nominating committee will be appointed for the election of officers in May.

Mothers do not forget that your children want the "fern" for their room next month. Help them by being present at the next meeting. Mrs. Russell, the third grade teacher, has held the fern since the last meeting, having had the most mothers present. Miss Renowden came second. Who next?

All members of the P.-T. A. who are not already paid up to September, 1922, please have their quarter ready for the collectors who are now out. In order to have the dues payable in September at the opening of the school year instead of March, as they have been paid previously, we are asking all unpaid members or those whose dues are now payable, for six months dues only, in order to give each member a receipt in full to September, 1922, when all yearly dues will start.

Mrs. F. H. Clark, Pres.

GUY MARRINER, PIANIST, IS PROMISING FOREIGN ARTIST

To Be Heard Here With Steelman-Marriner-Taylor Trio.

The New Zealanders are naturally a musical people. Surprising as it may seem they have reached a high state of musical development in this far-off corner of the world, and have produced some very fine artists who

have met with success on this side of the Pacific.

Chautauqua folks will have opportunity to hear one of these young artists. Guy Marriner, born and raised in New Zealand, will appear here as pianist with the Steelman-Marriner-Taylor Company. This young man has attracted considerable attention among the musical people of New Zealand, and also Australia, where his brilliant playing has stamped him as a young artist of rare talents. He is making his second tour of the Pacific Coast states this summer.

Mr. and Mrs. C. B. Bell, recently of Sherman, are temporarily located on south Andro avenue, until their modern new home is completed on Marcelina street, directly across from the Central church parsonage.

Mr. and Mrs. Raymond were down there fifteen months, and are returning to the island in about three weeks.
